MOUND CITY ARE TOURNEY CHAMPS

DEFEAT OREGON FOR GRAND CHAMPIONSHIP 36-27

ALL-NORTHWEST TEAM

Bethany, Mound City, Skidmore, And Maryville Land Berths on Officials All-Star First Team

The All-Northwest Teams, picked by the Officials:

First Team

Forwards: Guymon, Bethany; Bickel, Mound City.

Jumping center: Kenney, Mound City; side center, Miller, Skidmore.

Guards: O'Banion, Maryville; Creech, Mound City.

Second Team

Forwards: Bruckner, Gower; Bagby, Mound City.

Jumping center: Moulton, Bethany; side center, Hodgens, Oregon.

Guards, Maier, Cameron; Kunkel, Oregon.

The Mound City girls basketball team won the grand championship of the Northwest Missouri High School tournament which was held at the State Teachers College Friday and Saturday of last week, in the final game Saturday night from the Oregon sextet by a score of 36 to 27.

The championship game was a contest between a class A team, well trained and well coached, and a class B team, without the coaching and with a lesser amount of knowledge of the game.

Mound City won the game because its players, for the most part, were larger and taller, and because its coach had drilled them more in the modern day basketball than had the coach of the Oregon team.

That the losers were drilled in the old style of basketball was evident by the fact that the Oregon forwards shot from behind the head and employed the "across the zone" pass that was in vogue years ago.

The score at the end of the first half was 17 to 11 in favor of Mound City. In fact all through the game the victors were in the lead and the outcome was never very much in doubt.

The score:

Mound City (36)—Bagby, f; Bickel, f;Kenney, jc; Brown, rc; Kenney, g; Creech g.

Oregon (27)—Babb, f; King, f; Parsons, jc; Hodgin, rc; Kunkel, g; Traup, g.

Field goals—Bagby, 4; Bickel, 12; Babb, 5; King, 3.

Free throws—Babb, 4; King, 2; Bagby, 3; Bickel, 1. Overhead goals—Babb, 1; King, 4.

Young People Hold Meeting at Barnard

Leslie Lucas Elected President of District Number Five at Meeting Yesterday Afternoon

Leslie Lucas was elected president of district number five of the Nodaway County Older Boys and Girls Council at the meeting held yesterday afternoon at the Methodist Church at Barnard. The other officers chosen are vice-president, Opal Thompson; secretary, Laura Hoshor; treasurer, Delman Roelofson.

Galen Turner, Lee Meek, Margaret Louise Hosmer and Bertha Anderson, county officers of the association, were present and made short talks.

Death and Damage in Tennessee Wind Storm

Twenty Killed and a Hundred Injured at Jackson, According to Reports Received by Railroad Office

Jackson, Tenn., March 12—Eighteen persons were killed, thirty were injured, many seriously in the tornado at Pinston, 9 miles south of here, according to a report received here today. Seven were injured and one was reported missing at Beanburg, 18 miles south of Jackson, according to a telephone message today.

Tullahoma, Tenn., March 12—Twenty persons were reported to have been killed and nearly a hundred injured in a cyclone which swept the vicinity of Jackson, Tenn, early today. Reports were received here from the offices of the Nashville, Chattanooga and St. Louis Railroad office, on which line the town is situated.

Memphis is the nearest large town, but it was without direct wire communication. Only meager reports of the disaster were received here.

Ziegler Bans Snow Fights at School

The wet, heavy snow today, was a great temptation to some of the small boys in the grades at central school and also to some of the more playfully inclined high school students. They would have delighted very much to snowball each other, and also other persons passing by that vicinity. However, Superintendent Ziegler issued a stern proclamation, forbidding any such sport on or near the school grounds. The belligerents must needs wait until they were some distance from the halls of learning, before starting any snow fights.

LAND VALUES HAVE CHANGED LITTLE

ACCORDING TO STATE BOARD OF AGRICULTURE

CASH RENT HERE $5.75

Average for Plow Land in Nodaway County is $7 and for Pasture Land $6

Jefferson City, Mo., March 12—Missouri farm land values have changed but little during the past year of 1922, and few farms have changed hands, mostly through trades or turning back land bought at high prices as the new owner found himself unable to carry the burden, according to a joint release by E. A. Logan and Jewell Mayes of the Federal-State Crop Reporting Service issued today.

The average value of wholly raw and undeveloped land is $30 per acre; of poor plow lands $45 against $41 last year, of good plow lands, $86 compared to $84, with the average value of plow lands $66 against $65 last year. An increase has taken place in a few of the northwest corn counties, but heaviest in the southeast where increased interest in cotton prevails.

The average value of Missouri farm land with improvements is $80 per acre, that without improvements, $60, and the average price of all farm lands $65 or approximately same as last year. The general tendency of farm owners is toward steady values expecting better times in the immediate future.

Cash rents remain about the same as last year, some slight advances having taken place in the northwest corn sections, the tobacco localities of Platte County, with considerable increase noted in the principal cotton counties. The average cash rent paid per acre where the whole farm is rented is $4.80, for plow land alone $5.80, and for pasture and grazing land, $3.25, which is a gross return on the estimated value of 5½ per cent for whole farms, 6.4 per cent on plow land, and 5.4 per cent on pasture land. Missouri land is more often rented on a share basis.

The average cash rent per acre for farms in Nodaway County as a whole is $5.75 an acre, and for plow land $7, and for pasture land $6. According to the statistics compiled by the State Board of Agriculture, 78 per cent of the 1922 wheat crop was shipped or to be shipped out of the county.

The condition of the wheat, soil and fruit buds as compiled from farm returns made on March 1 follows: wheat condition 79; soil condition 96; and fruit bud conditions 98.

Trial of Alleged "Reds" Open Today

Three Women Are Among the Accused—Jurymen Closely Questioned About "Red" Literature

St. Joseph, Mich., March 12—The trial of William C. Foster, noted radical, under the Michigan radical laws, began here today in the Berrien County Circuit Court. Selection of the jury got under way after each was questioned at great length concerning radical literature, which the state alleges was sent widely over the country.

Three women are among the twenty-three alleged "Reds" to be tried as a result of a round-up of one of their meetings. One of the women is Mrs. Rose Pastor Stokes, another Mrs. Ella Reeves Bloor, 70, the mother of six children, and the third, Mrs. Rebecca Sacerow, secretary of the raided meeting. All were in court.

SECOND WRESTLING CARD ON TONIGHT

DAVIS AND WHOLF, CHAMPS, TO MEET

THE PRELIM AT 8:15

Sam England and "Murphy" Culver To Furnish the Curtain Raiser For Second Show

The second of the series of wrestling shows promoted by the Maryville American Legion Post will be promulgated on the fans of Maryville tonight at the State Teachers College when Dick Wholf, the middleweight champ of Missouri will meet Vernon Davis, who holds the same title in the State of Kansas, in a two out of three falls match.

As a preliminary Sam England and Perry "Murphy" Culver will furnish the curtain raiser.

The prelim will start at 8:15 o'clock and the main event on the card will begin a short while later.

Coach E. A. Maynor of the State Teachers College will referee both of the matches. Before these start he will give a demonstration of some of the most frequently used holds in the wrestling game.

A good match is promised the fans tonight as both men, being champions of their respective states, will go the limit to gain the majority of falls.

Two weeks ago in the first match put on by the local Legionnaries Wholf threw Roger Giha in a spectacular match which proved to local followers of the mat game that he has the stuff and they are looking for a repetition of it tonight.

Brother of W. C. Ellison Dies at Kansas City

Was Prominent Judge in Kansas City, Mrs. W. C. Ellison and George Robb to Attend Funeral.

Judge James Ellison of Kansas City, brother of Judge W. C. Ellison of Maryville and well known here, died last night at his home following an illness of three weeks. He had been suffering from a cold, but had not considered it to be serious. Mrs. W. C. Ellison left this afternoon to attend the funeral and was joined in St. Joseph by her son, George Robb Ellison, who had been in Rock Port on business. Funeral services will be held at 3 o'clock tomorrow afternoon.

Judge Ellison was regarded as one of Kansas City's foremost jurists and since his defeat for re-election in 1920 had been practicing law. He had been a member of the Kansas City court of appeals since it was created in 1884.

Excerpts from an article on Mr. Ellison in this morning's Kansas City Times follow:

Judge Ellison was born at Monticello, Mo., July 12, 1848, the son of James Ellison and Martha Cowgill Ellison. The Ellison family moved to Tully, Mo., when Judge Ellison was a child, later moving to Canton when practically the entire population of Tully moved to Canton, two miles away.

Judge Ellison attended private schools and Christian university at Canton, and Christian Brothers college at St. Louis, leaving the latter when 15 years old, to read law in his father's law office at Canton. He was admitted to the bar at Kirksville when he was 18 years old, and practiced law at Kirksville until 1884, when the Kansas City court of appeals was established.

Judge Willard P. Hall, Judge John F. Phillips and Judge Ellison were appointed by Governor Crittenden as the first judges of the Kansas City court of appeals. Judge Ellison retained his place on the bench until 1920, being elected for successive terms. In the Republican landslide of 1920 he was defeated by Judge H. L. Arnold, after he had been renominated by the Democrats.

In his long service in the Kansas City court of appeals, Judge Ellison delivered many important decisions.

Judge Ellison is survived by a daughter, Mrs. Otho C. Snider, Forty-fifth and Oak streets; a brother, Judge William Ellison, Maryville, Mo., and two sisters.

Announce Birth of Daughter.

Telephone Committee to Investigate Changes

Committee Appointed Saturday at People's Telephone Meeting to Look Into Proposed Changes.

The annual meeting of the People's Telephone Union, which was held Saturday afternoon at the courthouse, adjourned late in the afternoon to meet again in two weeks for further discussion of proposed improvements. The newly-elected president, Noah Duncan, appointed a committee to investigate the suggested improvements. The committee is composed of: Charles Wells, Roy Parent, G. P. Dainum, M. J. Sherlock and A. H. Hughes.

DR. HALL TO SPEAK ON TUESDAY NIGHT

DATE HAS BEEN CHANGED FROM WEDNESDAY NIGHT

WILL ADDRESS STUDENTS

College and High School to Hear Northwestern Professor—Night Meeting at Pres. Church

Dr. Winfield Scott Hall, professor of Northwestern University, and noted authority on social ethics, social problems and eugenics, who was scheduled to speak at the Presbyterian Church Wednesday evening, will speak Tuesday evening instead, according to an announcement made today by the Rev. S. P. Allison. This date was changed due to an engagement that Dr. Hall has in Kansas City the following day. This meeting will be participated in by all of the Protestant Churches of the city. It will begin at 8:15 o'clock so as not to conflict with the municipal chorus or other earlier activities of the evening.

"Home and School Problems" is the subject announced by Dr. Hall, and all parents, children and young people of the community have been urged to attend the meeting.

A program for Wednesday for Dr. Hall has been arranged: At 10 a. m. he will address the assembly at the college on "Social Development in the Race."

From there he goes to the high school for a group gathering of the boys, and will speak on "The Making of An Athlete." Dr. Hall has been an athlete of note himself, and is keenly interested in athletics.

At 1:20 o'clock he will meet the high school girls and talk on "A Physician's Talk to His Daughter."

"Ideal Womanhood," "Efficient Manhood," and "The Responsibility of the Teacher," are other subjects that Dr. Hall may use. It is also possible that other group gatherings may be arranged.

These gatherings are for the people of Maryville and vicinity that are interested in the important social problems and community problems that face every community. Dr. Hall is one of the outsanding authorities in the nation along these lines.

Harding to Plan for His Speaking Tour

Expects to Meet Political Leaders at Miami, Fla., and Discuss Swing "Around the Circle."

Fort Lauderdale, Fla., March 12—Halfway down the shallow and mud-soaked banks leading south from Palm Beach, President Harding chumped along today on his houseboat, Pioneer, bound for Miami and probably also to the end of that "splendid isolation" that has been his since he entered the state of Florida. Palm Beach, now in its last mad flame of gayety, failed to draw him from his seclusion.

At Miami an intermediate stop will be made. Attorney general Daugherty, Secretary of Labor Davis, and other political leaders are in Miami, and will want to discuss plans for the coming western tour of the President this summer. Tentative plans calling for a score or more speeches in a big swing "around the circle" are being discussed by Harding and his political advisors, and will probably be gone into more fully at Miami.

Official cares intruded upon the President's vacation today as he was busy going over a large batch of mail and reports from Washington that he received at Palm Beach yesterday. These are the first reports to reach him.

$465 IS SUBSCRIBED FOR WELFARE WORK

GOOD RESPONSE FROM SMALL AUDIENCE LAST NIGHT.

PRESENT DEFICIT $187

Mayor Robinson Presents Yearly Report at Christian Church Meeting Last Night.

Despite the bad weather and small attendance at the union meeting at the First Christian Church last night, a total of $465.78 was subscribed for the welfare work in Maryville. This amount was raised by subscriptions and a collection. The committee had hoped to raise about $800 to care for the present deficit of $187.18, and to finance the work until next November. This amount would easily have been raised had the weather been favorable for a good crowd. The remainder of the funds for the work will be obtained by solicitation.

Report of Maryville Welfare Board, March 11, 1923, for period from Nov. 24, 1921 to date:

Balance on hand Nov. 24, 1921	$ 18.33
Total cash received	1,355.97
Total cash	$1,374.30
Paid out for fuel	$ 474.43
Paid out for provisions	551.69
Paid out for shoes	186.35
Paid out for clothing	122.29
Paid out for house rent and board	33.50
Total cash expended	$1,368.26
Cash received	$1,374.30
Paid out	$1,368.26
	$ 6.04

We have also received and distributed large quantities of serviceable clothing, shoes, bedding, canned fruits and other provisions.

The total number of families assisted was 45, and the average number in family being four.

We owe to Maryville merchants at this date, for which we have no funds to pay a total of $187.18, and we estimate that $500 will be required to take care of the work till next November.

Respectfully,
F. P. ROBINSON, President.

Following his report Mayor Robinson spoke briefly of the work here. "Only the preachers have a conception of the poverty in Maryville," said Mr. Robinson. "It would be quite an awakening for most people if they would go with someone interested in welfare work into these homes. If they could see the plight of some people, especially of little ones, it would awaken their hearts and make them want to do their share in this work."

He then cited a few specific cases that came before the welfare board, telling of one old woman with no means of support and practically friendless; three old couples, one of them totally blind, and two of them bedridden for years, and another practically helpless, all of whom must be taken care of by the welfare board. He also mentioned the temporary cases where the family got along fairly well until the bread winner took down with sickness, and then assistance becomes necessary. "We have many of these cases in the course of the year," said Mr. Robinson.

An excellent musical program was given by the college chorus and members of the faculty of the conservatory of music. Charles R. Gardner played the prelude on the pipe organ, three numbers were given by the chorus, two vocal numbers were given by Luther A. Richman, one with C. D. Kutschinski, accompaning with the violin.

The donors to the Welfare Board last night are: Christian Church, $75; First M. E. Church, $50; F. P. Robinson, $50; Joseph Jackson, $25; Mrs. C. T. Bell, $25; Rev. Joe Cooper, $25; Mrs. J. B. Robinson, $15; Dr. C. T. Bell, $15; C. D. Kutschinsky, $15; W. A. Miller, $10; Ed Howland, $10; Albert Johnston, $10; H. E. Wright, $10; Rev. C. C. James, $10; Prof. Annett, $10.

Dr. H. L. Stinson, $10; Price Furniture Co., $5; Chas. R. Gardner, 5; Fred Miller, $5; College Chorus, $5; Gertrude Wright, $5; Mrs. H. E. Wright, $5; Mrs. S. P. Allison, $5; John Spickerman, $5; Mrs. Caroline Torrance, $5; Edith Maul, $5; O. W. Swinford, $5; Mrs. Emma Eckles, $5; Prof. L. A. Richman, $5; Mrs. Harl Holt, $2.50; Mr. and Mrs. E. E. Tilton, $2; Aaron Reynolds, $1; Mabel Raines, $1; Ruth Houchens, $1; Harry Toomey, $1; Price Doyle, $1; Plate collection, $16.48. Total, $465.78.

WAVE OF VIOLENCE SWEEPS THE RUHR

DOZEN PERSONS, MOSTLY FRENCH KILLED OR WOUNDED.

TIGHTEN MILITARY RULE

Two French Officers are Killed at Buer and Two Suspected German Assassins Shot.

Paris, March 12—Seven Germans were shot at Buer by French troops in a riot, according to a dispatch from there this afternoon. The trouble started over the fatal shooting of Lieutenant Colton and Chief Engineer Joly of the French forces at Buer. Two Germans, suspected as being the assassins of the two French officers, were shot and killed while trying to escape.

Wild rioting followed. Five more Germans were killed during the fighting, the dispatch said.

Essen, March 12.—The worst wave of violence that has swept the Ruhr since the French entered, has taken place during the past forty-eight hours. A dozen persons have been killed or wounded, mostly French soldiers.

At Dortmund a French soldier was killed and five others were wounded in a revolver battle with the Germans.

A later report from there said that a German police commander and four policemen were wounded. Most sensational killings were reported from Buer, where Lieutenant Colton and Chief Engineer Joly, in charge of the French railroad engineers in the Buer zone, were shot to death.

German witnesses swear that the French fired the shots, which killed these men. Fernch officials deny this and say that the shooting was done by German sharp shooters, as the men were shot throught the back, the bullets passing near their hearts. The French are planning sharp reprisals for the shooting. The military rule in all the occupied zone is being tightened.

Lyceum Course to Terminate Tonight

Barnaby Entertainers To Close Course Which Has Been Sponsored by Oxford Club

The lyceum course which has been sponsored by the Oxford Club at the First Methodist church, will close tonight with the appearance of the Barnaby entertainers, versatile actors, who will present the final number of the course which will start at the church at 8:15 o'clock.

The program to be used tonight will consist of numbers written by the Barnabys and protected by government copyright. It will include one-act plays, songologues, character studies, monologues, costume sketches, novelty pictures, lightning sketches, comedy cartoons and several numbers for variety. A feature of the program will be the original lightning change dramatic sensation "A Cycle of History" in which there will be seven make-up characters in about eleven minutes.

Hundred Reservations for C. of C. Luncheon

Over a hundred reservations have been made for the Chamber of Commerce luncheon tonight to be held in the dining room at the girls' Residence Hall of the college. The feature address of the evening will be made by the Rev. Father Moulinier of Milwaukee. His subject will be, "What a Modern Hospital Means to a Community." Father Moulinier is president of the Catholic Hospitals Association of the United States and Canada, and a well-known authority upon hospital management and organization. R. P. Hosmer will act as chairman of the luncheon. Geo. A. Pickens, secretary of the Chamber is out of town and will be unable to attend the luncheon.

Father Moulinier arrived in Maryville last night and spent the morning inspecting the St. Francis Hospital. He seemed to be well pleased with the hospital here. This afternoon he met with the management of the hospital and the nurses. At 5 o'clock he had an informal meeting with the doctors of the county.

Father Moulinier will leave in the morning for Chicago, where he has a meeting.

HEAVY SNOWS HIT THE MIDDLEWEST

TRAFFIC HAMPERED AND MANY PERSONS INJURED

SIX INCHES FELL HERE

Was Registration Up to Noon—Is Valuable to Farmers but Costly to Cities—Phone Wires Down

Chicago, March 12.—Snow and sleet storms swept the Middle West today, taking down telegraph and telephone wires, flooding basements, and causing injury to a number of persons.

Ten persons were hurt in Chicago and a damage estimated at thousands of dollars was done. A heavy property damage was reported in the vicinity of Terra Haute, Indiana. Telephone poles were torn down and the wreck put several large business establishments out of business. The Wabash River registered a rise.

Telephone and wire communication west of Chicago is in bad shape according to reports from numerous parts of the West. In some places the snow and sleet turned into rain as the day progressed.

The annual Easter, or near-Easter snow, arrived a little early this year. The advance guard of the big snow made its appearance early yesterday afternoon in the form of small patters of sleet. About 4 o'clock it melted into a rain which kept up steadily until about 8 o'clock when fleecy flakes of snow slipped in to displace the rain. By 9 o'clock the snow flakes had reached immense proportions and a veritable mass of them were scurring and tumbling from their heavenly abode. A rather strong wind accompanied the snow but not enough to drift the wet, heavy flakes.

Maryville awoke this morning to find everything covered with the first real blanket of snow this winter. Its a "million dollar" snow to the farmers, who have been worried the past few months by the moisture shortage, and will probably cost some cities a million dollars in damage done and to cart it off their streets. No damage was reported in this vicinity and most trains came in on schedule time. Wabash trainmen said the snow west of here was lighter than here. The only "casualty" reported in Maryville was to the town clock, which stopped at 11:30 o'clock last night when its north face became plastered with snow.

The People's Telephone Union reported lines down to Orrsburg, Ravenwood, Barnard, Conception Junction, and Graham. Many long distance phones were out of service, there being only one line available to Kansas City today.

Weather Observer Brink reported the snowfall here at six inches with .75 of an inch rainfall preceding the snow. The lowest temperature last night was 33 above, the range yesterday being from 33 up to 41. An unusually low registration of the barometer was shown.

Rains were heavy over most of Missouri, southeast Kansas, Oklahoma and the lower Ohio valley. Nearly an inch of rain fell in all parts of Missouri with the exception of in the vicinity of St. Joseph. Oklahoma City had the heaviest rain of the day, 1.24 inches falling there. Light to moderate rains were reported in Arkansas, Texas and southern Iowa There was little rain in Nebraska or western Kansas.

Child Labor Law Is Passed by the House

Jefferson City, March 12—The house today passed the bill of Mrs. Sarah Turner of Kansas City, prohibiting the employment of children under 17 years of age for more than eight hours a day or more than forty-eight hours a week.

The measure excluded children working for their parents or in agricultural pursuits.

Mrs. Edith Glenn, county treasurer, and daughter, Dorothy spent Sunday in Skidmore visiting.

Everett Ruth of Ravenwood was a Maryville visitor Saturday.

As soon as they catch up on sleep, a number of United States Senators are going to sail for Europe, to nose around and see what they can find out. It is generally admitted that a little knowledge would not hurt them any, but we are reminded of the old adage that "he who would travel and learn, must carry knowledge with him." Poor old Europe, she has had the war, the soviets, various scourging diseases, and now she is to have a senatorial invasion.—Missouri State Journal.

ALL-STAR TEAM BY DEMOCRAT-FORUM

CHOOSE AN ALL-NORTHWEST MYTHICAL FIVE

TWO FROM MARYVILLE

Mildred New Places At Running Center and Alice O'Banion Gets A Guard Position

All-Northwest Teams as picked by the Democrat-Forum.

First Team

Forwards: Bickel, Mound City and Guymon, Bethany.

Jumping center, Moulton, Bethany.

Running center, New Maryville.

Guards: Creech, Mound City and O'Banion, Maryville.

Second Team

Forwards: Bruckner, Gower and Bagby, Mound City.

Jumping center, Kenney, Mound City.

Running center, Miller, Skidmore.

Guards, Lingle, Bethany and Kunkel, Oregon.

The all-Northwest mythical teams were picked by the officials of the tournament after the final games in both classes had been played. The players selected on these teams were named because of their worth as the referees saw it.

It is the privilege of everyone who claimed to be a dopester to pick who he may choose on his all-team. The team, in the estimation of the writer, that should be named, would be one composed of the six best players in the tournament as they should be fitted for their positions.

In the team which the writer has selected two players are given positions foreign to those which they played in the tournament. This however makes no difference if these players could fill the position given them.

For instance, Mildred New, the captain and jumping center, on the Maryville team, is not naturally a jumping center. In the first place she is not tall enough. She is the ideal side center and it is at that place she should play. However, she was the only player on the Maryville team who could play jumping center so there she played.

But, on the all-Northwest team, where you have an abundance of material from which to pick, it is perfectly legitimate to place Mildred New at side center and let someone more fitted do the jumping.

The other change was in the instance of Lingle of Bethany who was placed at guard. This girl was a peach of a running center but was not quite good enough to make that place. However she would fit in well as a guard and it is there that she is placed, on the second team.

Both of these choices are justified. In picking their all-teams the referees seriously considered giving the place at running center to Miss New and it was only after much deliberation that the idea was put aside.

In the case of the jumping center, the writer's teams just shift the two players on the the referees' two teams. The Bethany player had more aggressiveness and more actual fight. She loafed not once and was continually after the ball and because of this she gets the first team berth.

There is one girl who was outstanding in the tournament. She was Bruckner of Gower. She made more goals than any other player and made them with ease but she didn't make the first team for two reasons. One was that it was only at times that she displayed any pep or fight and the other was that although she made the largest number of goals, it was because she towered so far above the guards that she did it. Time and again she would miss comparativcly easy shots and her interest lagged at times.

On the other hand the two first team forwards, Bickel and Guymon, were continually after the ball and they fought every minute of every game. They both also had accurate eyes for the basket and their shots were the feature of the tournament.

The guards, O'Banion and Creech, were well chosen. Creech was undoubtedly the best defensive player in the tournament. Although small she handled her forwards well and her passing to the center was accurate. O'Banion played excellent ball in the Albany and Cameron games and it was due to her that these teams were held down on the scoring end. She was ably assisted by her team-mate but her ability to gain possession of the ball was noticable.

As captain on the first team Creech of Mound City would be the choice and as the leader of the seconds Bagby of the same school would do admirably.

Pola Negri in "Passion"

Through a mistake tonight's picture has been advertised as Norma Talmadge in "THE PASSION FLOWER." The picture is "PASSION," with Pola Negri. This is one of the greatest pictures exhibited here this season. It was generally conceded by film critics to be the best motion picture produced in 1922.

PRICES 10c and 33c.

Kinnaird Attends Two Pig Meetings Saturday

More Than 125 Visitors Attend Afternoon Meeting Held at Clearmont

R. A. Kinnaird, county farm agent, attended two pig club meetings Saturday. The first was held at Burlington Junction in the morning. At this meeting fifteen members were present and an interesting discussion was held.

Saturday afternoon the Clearmont Pig Club met at the school house in that town. It was an open meeting and more than 125 visitors were present Mr. Kinnaird had three pig club films with him and these were shown. They were "Hog Worms," "The Texas Trail to Your Table" and King Corn.

At the meeting it was decided that the regular meetings of the Clearmont Pig Club would be held from now on on the second Friday afternoon of each month.

Blackheaded Pimples Quit With S. S. S.

Why? Pimple-Poison Goes When Red-Blood-Cells Increase! S. S. S. Builds These Red-Blood-Cells.

You can be sure of this, nature has no substitute for red-blood-cells. Pimple-poison can't live in the red rivers of your blood as long as there are enough rich red-blood-cells in it. More red-blood-cells!

The shame of a blemished face!

That is what you need when you see pimples staring at you in the mirror. Blackheaded pimples are worse! Eczema is worse yet! You can try everything under the sun,—you'll find only one answer, more cell-power in your blood! The tremendous results, produced by an increase in red-blood-cells is one of the A. B. C.'s of medical science. Red-cells mean clear-pure rich blood. They mean clear, ruddy, lovable complexions. They mean nerve power, because all your nerves are fed by your blood. They mean freedom forever from pimples, from the blackhead pest, from boils, from eczema and skin eruptions, from rheumatism impurities, from that tired, exhausted, run-down feeling. Red-blood-cells are the most important thing in the world to each of us. S. S. S. will build them for you. S. S. S. has been known since 1826, as one of the greatest blood-builders, blood-cleansers and system strengtheners ever produced. S. S. S. is sold at all drug stores in two sizes. The larger size bottle is the more economical.

P. E. O. Meeting

Chapter L. P. E. O., held its March program meeting at the home of Mrs. O. C. Hanna on North Main street Saturday afternoon when Ireland was the subject discussed. Mrs. Dale Bellows, who was in charge of the interesting program, gave the history of Ireland, and Mrs. Arch Frank read a paper on "Irish Characteristics." Current events on Ireland were given by Miss May Anthony and the concluding number was a group of Irish stunts by Miss Nell Hudson who was in Irish costume. At the business session preceding the program Mrs. F. P. Reuillard and Miss Helen Todd were initiated into the sisterhood. Plans for the annual luncheon were discussed but nothing definite was decided upon. The affair probably will be held the latter part of next week at the Girls' Residence Hall of the State Teachers College. The hostess served refreshments at the close of the program. Mrs. Fred Gehring of Stanberry was a guest of the Chapter, and there were nineteen members present.

25 Million Necessary for Aircraft of U. S.

Washington, March 12—The expenditure of 25 million dollars during the next five years for army air service is vital to the safety of the United States, J. Mayhill Wainright, retiring assistant secretary of war, says in his final report made to Secretary of War, John W. Weeks today.

"Within two years," he asserted, "The air service will be less than half of what is necessary for peace time work. This is not only a serious, but a dangerous situation."

His program said that it would be necessary for 15 million dollars a year for five years and an additional operating expense of 10 million dollars.

"Not alone is the United States deficient in aircraft but it is also deficient in volume of munitions and strategy materials." Wainright's report is made as result of a study of industrial mobilization in times of peace as prepardness for war. The assistant secretary of war was charged with the duty of working out a plan for mobilization of the service for wartime.

Pneumonia Is Fatal to Mrs. John Hansen

Mrs. Ida Margaret Hansen, wife of John Hansen, died at 1:30 o'clock this afternoon at the home of her parents, Mr. and Mrs. Pleas Bolin, nine miles southwest of Maryville. Her death follows a three weeks' illness of flu and pneumonia. She was the younger daughter of Mr. and Mrs. Bolin and was about thirty years old. Her death occurred in the house where she was born and had lived all her life. She was married September 10 1922, to Mr. Hansen, who survives. Others surviving are her parents, six brothers and one sister. They are James, Allen and Ed Bolin of Maryville, Frank Bolin, Barnard, S. A. Bolin, Wilson, Okla., J. D. Bolin, Arkoe, and Mrs. Fay Campbell, Barnard.

Arrangements for the funeral will not be completed until word is received from relatives at a distance.

Hart Funeral Today

Funeral services for Frank Hart, who died suddenly Friday night in Mound City, were held at 1 o'clock this afternoon at the Christian Church there. Several members of the I. O. O. F. Lodge here had planned to attend the funeral but were unable to make an overland trip because of the bad roads.

Murderer Confesses to Butchering Body

Collinsville, Ill., March 12—After surrendering to the police today, Felix Sackneitz, 42, confessed that he shot and killed Joes Pusse, 52, last night, dismembered his body and threw it into Canteen Creek on the west edge of this town. The sack containing the legs of Pusse was found in the creek today.

Sackneitz told the police that he hacked the body to pieces with a sharp knife, placed the head and arms in one sack, the legs in another, and the torso in a third.

Julia Adromaitias, 14 years old told authorities that she was an eyewitness to the shooting and that Sackneitz ordered her to be silent about the murder. Sackneitz is said to have quarreled with Pusse, assusing him of having improper realtions with his wife before the Sackneitz were married. Pusse refused to talk, according to the story told authorities and was shot in the face with a rifle, killing him instantly.

DODGE BROTHERS TOURING CAR

As Spring days approach, the demand for Dodge Brothers Touring Car mounts swiftly.

Dodge Brothers one problem, at present, is not how many Touring Cars they can sell, but how many they can build.

Never was public approval of Dodge Brothers product more obvious, and never was it more richly deserved.

Improvements, rarely spoken of but constantly being made, have brought the car to a state of perfection which can only be described as remarkable, even for Dodge Brothers.

Every part which takes a major strain is built of chrome vanadium steel. Many more pieces of alloy steel are used in vital parts than normal wear requires.
